INTERNATIONAL CARGO COOPERATIVE BIOSECURITY ARRANGEMENT (ICCBA)

ICCBA INDUSTRIAL CONFERENCE 2018

“Engagement and Partnership on Supporting Biosecurity Compliance”

Bali, Indonesia, May 7th, 2018

Dear colleagues,

It is an honor and great pleasure to invite you all to participate in ICCBA Industrial Conference which be held in Baruna Bali, Jl. Wana Segara No. 33 Tuban, Kuta, Kabupaten Badung, Bali, Indonesia, May 7th, 2018.

ICCBA is a voluntary, non-binding multilateral arrangement that provides national biosecurity agencies, with a platform for collaborating on biosecurity initiatives. The ICCBA aims to provide rigor around the operational implementation and management of biosecurity policies that are developed by bodies such as the International Plant Protection Convention.

ICCBA Industrial Conference as a part of annually QRM will be attended by up to 200 participants from member countries of ICCBA (Australia, Chile, Fiji, Indonesia, Malaysia, New Zealand, Peru, Papua New Guinea, Thailand, Philippines and OIRSA countries in Central America) and other countries in the QRM (Cambodia, Sri Lanka, Taiwan, Korea, Vietnam, Lao PDR, Myanmar, and India). The participants from government agencies, industries, and private sectors interested on biosecurity measures are welcome to attend this conference.

The topics will focus on delivering experiences successfully on biosecurity risk from agencies, including the implementation of methyl bromide, Vessel Compliance Scheme (VCS), managing biosecurity risk on e-commerce and new alternatives treatment from industries. The confirmed speakers are from Department Agriculture and Water Resources - Australia, Ministry of Primary Industries - New Zealand, and Phytosanitary Association of Ukraine, and Indonesia Agricultural Quarantine Agency.

On behalf of ICCBA Industrial Conference 2018, I welcome all of you to the beautiful country, Indonesia. I wish you every success on this conference and a pleasant stay in Bali.

ANTARJO DIKIN, Ph.D.

Director of Plant Quarantine and Biosafety
Indonesian Agricultural Quarantine Agency
