## NOTIFICATION

1.	<b>Member to Agreement notifying:</b> <u>INDONESIA</u> <b>If applicable, name of local government involved:</b>
2.	<b>Agency responsible:</b> Centre for Agricultural Quarantine, Ministry of Agriculture
3.	<b>Products covered (provide tariff item number(s) as specified in national schedules deposited with the WTO; ICS numbers may be provided in addition, where applicable).</b> Fish (all aquatic biota, the life-cycle of which takes place wholly or partly in water, whether alive or dead including part thereof <b>Regions or countries likely to be affected, to the extent relevant or practicable:</b> All countries having trade in the above products with Indonesia
4.	<b>Title and number of pages of the notified document:</b> Government regulation on the Implementation of Fish Quarantine (55 pages)
5.	<b>Description of content:</b> This draft regulation is aimed at implementation of Law No. 2 of 1992 concerning animal, fish and plant quarantine. It stipulates the main requirements and quarantine actions for the implementation into, exportation from, transit in, as well as inter-island movements within the territory of the republic of Indonesia of live fishes, dead fishes including part thereof, and any other media capable of transmitting fish disease agents. It also contains some provisions concerning the determination of quarantine diseases and their potential carriers, entry and exit points, quarantine facilities/installations, power of quarantine fees, area under quarantine and public participation in the implementation of fish quarantine. No significant differences are found in the provisions of this new regulation if compared with the existing ones. Instead, it incorporates mostly the provisions of the existing regulations stipulated in some ministerial decrees and the current practices of fish quarantine.
