## NOTIFICATION OF EMERGENCY MEASURES

### *Addendum*

The following communication, received on 9 February 2016, is being circulated at the request of the Delegation of Indonesia.

#### Revocation of Import prohibition of live poultry and poultry products from the United State of America into the territory of the Republic of Indonesia due to the outbreak of HPAI Sub type H5N8 and H5N2

Following the current outbreak of HPAI sub type H5N8 and H5N2 in the United State of America (USA), the Indonesian Government is taking urgent measures to prohibit importation of live poultry and poultry products from the USA into the territory of the Republic of Indonesia which might be carriers of HPAI H5N8 and H5N2 that is not exist in Indonesia. The import prohibition was notified as G/SPS/N/IDN/99 on 14 January 2015. This prohibition is based on the risk assessment on the importation of several live poultry and poultry products from the USA, and refers to the OIE-WAHID report. The prohibited commodities are day old chicken (DOC), all kinds of live poultry, fresh poultry products except SPF egg and Hatching Egg (HE). This prohibition applies to live poultry and poultry products that dispatched after 16 December 2014.

Based on the results of the risk analysis study on day-old chickens (DOC), live poultry and fresh poultry products except SPF egg and hatching egg (HE) from the United States of America associated with Highly Pathogenic Avian Influenza (HPAI) Sub-type H5N2 and H5N8 which carried out by the Indonesian Risk Analysis Team from Directorate General of Livestock and Animal Health, Ministry of Agriculture, and taking into account final report OIE Ref. No. 18436 and 19116 stated that the USA has successfully overcome the outbreak of avian influenza sub-type H5N8 (on 17 August 2015) and H5N2 (on 18 November 2015), the Minister of Agriculture on behalf of the Indonesian Government revoke the import prohibition of live poultry and poultry products from the United States of America.
